

## **Attention Medicare Part D Members!**

Thanks to the **Inflation Reduction Act**, all copays for covered insulin products through Medicare are capped at **\$35 per month**

## **Patients with Commercial Insurance**

Depending on the manufacturer, insulin prices are capped at \$35 per month for commercial patients. **Patients should be advised to speak with our pharmacy if they have any questions about their insulin or if they are not receiving this benefit.**

### **Insulin products that may be discounted:**

Novo Nordisk – Fiasp, Levemir, Novolin, Novolog, Tresiba, Xultophy

Sanofi- Admelog, Apidra, Lantus, Toujeo

Eli Lilly – Basaglar, insulin lispro, Humulin, Humalog
